Attention: Ian Cassie - Partner & Supervising Lawyer

Dear Mr. Cassie:

RE: DESCENDANCY OF JAMES C. KAVANAGH - LIVING HEIRS - YOUR FILE #252295.00114

Thank you for your patience in this matter and know that we have been working on the aforementioned case since last month which is coming together nicely. This interim report is to provide you with a heads-up once we reached completion of the retainer your office sent us.

The following will provide you with information upon which to base your decision, however we now recommend that you continue with the investigation to the budgetary limit (\$2200). We now worry a lot about completing all of the heirs within this limit, given the large number of heirs that are coming apparent, however we will do our best and then you can reassess any further directions you wish to follow. **For now, we would highly suggest that you do not try connecting with any of the found heirs [footnoted in 'blue' in this report] until the assignment is completed, as information may yet change.**

So, take a quick peek into the findings and then give us your blessing to proceed to the amount of the budget. I anticipate a full report should be available to you before Christmas if you get back to us soon. In the meantime, we will hold-off further work until we hear from you however please do not wait too long to respond or most of the repositories will be closed for the upcoming holidays!

CLIENT'S KNOWN FACTS: The *Decedent*, **James C. Kavanagh** of Vancouver is known in 1911 to have owned 5/6th interest in property as per an Indenture dated 4th December 1911 within the bounds of the Municipality of Langley, BC. Refer to client's letter dated 29th September 2016.

OBJECTIVES: Search for the descendants and living heirs of the aforementioned James C. Kavanagh.

SUMMARY OF FINDINGS: **James Charles Kavanagh** was indeed a Vancouver resident in 1911 and is the only James Kavanagh in the area during this period which highly suggests that this is the same individual despite the lack of additional corroborating evidence from the client.

James Charles Kavanagh (b. 9th March 1850/51/52 in Niagara Falls, ON¹; d. 13th November 1922 at Los Angeles, CA^{2, 3}; bu. Calvary Cemetery, Los Angeles, CA⁴)⁵, s/o **Timothy & Ellen Kavanagh**, was Brandon's first postmaster in 1881, an alderman in 1884 on the Brandon Municipal Council and later a financier & bonds broker. Herein are some interesting facts on James Kavanagh:

"Like many settlers in western Canada, James received a grant of real property. In 1885, a Mr. Bell of Brandon complained that James had improperly claimed this land when Mr. Bell had not fulfilled all of the homesteading requirements. Since James was the postmaster in Brandon, it was impossible for him to live on the homestead property for six months in every year for three years. As well, James had not made the proper improvements to the land. It is not clear what happened to this property.

James continued to be the postmaster through the 1880s and 1890s.

In 1898, James was a director of the Northwest Fire Insurance Company.

On December 24, 1900, he was dismissed from the position of postmaster for Kavanagh for allegedly "offensive partisanship."

About 1902, he moved to Winnipeg and became the proprietor of the Leland Hotel.

About 1904, he sold the Leland Hotel to Eli Joel "Mac" Rochon. James was still living in Winnipeg in 1906.

James first appeared in the Vancouver directories in 1910. He lived at 885 Chilco Street from 1910 to 1913. In 1915, he was at the Grosvenor Hotel at 840 Howe Street.

SUMMARY: So, lots more work involved here but you have some likely heirs and their contact information in the footnotes. We reiterate, **please do not contact any of these heirs until the investigation is completed as research results yet to come due may paint a different picture of surviving heirs before it is all over.** At the end of the final report, we will summarize all known heirs & their whereabouts and also identify any branches we continue to have issues resolving.

So, clearly more needs to be done on a number of branches. With our next round of investigations, we need to seek out more obituaries, estate files, and directory records specifically to narrow down more heirs from some of these outstanding branches. We will work to the budget limit and then report, billing you for the difference at that time. As mentioned at the beginning of this report, it is quite possible that more funds will be necessary to complete all of the lines however let's cross that bridge when we get to it.

A full accounting of the fees and expenses for this case will be made with our final report, however at the moment the total charges accumulated to-date are approximately about \$1200.00. Unless otherwise specifically requested, this digital report will be the only version issued. If your office requires copies of any of some or all of the source documents noted herein, please let us know at your convenience.

In closing, we are pleased that we have been able to provide your office with some initial information on this estate though much more work will be required to obtain a full picture of the actual heirs to this real estate. We look forward to your further comments and directions as desired however it is our intention to proceed

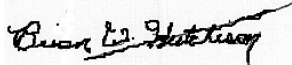

¹⁰⁵ According to the *U.S. National Telephone Index* (ver. 2016), Kathleen Beaver resides at 202 Rennie Avenue, Venice, CA 90291; Tel: (310) 392-1438.

unless you advise us differently! We are hopeful that the assignment will be mostly completed before Christmas, but that will depend upon how quickly your office will get back to us after reading this report.

Cordially yours,
